

Many Point Family Camp

Many Point Scout Camp (MPSC) is located on beautiful Many Point Lake in northern Minnesota, north of Detroit Lakes and Park Rapids. The 2,400 acres include rolling hills, heavily wooded trails, lakes and bogs. Wildlife abounds, including eagles, loons, porcupines, and deer. The area is rich in legends and lore. Many Point has subcamps for the Scouts and Troops, and it also has a camp for families.

Family Camp is designed for the families of the Troop. Families stay in cabins or tent or trailer sites. The Family Camp staff provides a variety of program activities including crafts, nature studies and waterfront activities. Families participate in as many of these activities as they like, create their own, or just relax. Family Camp has its own trading post where souvenirs and treats are sold. Located in beautiful northern Minnesota, many families choose to take day trips to nearby Tamarack Wildlife Refuge, local attractions or Itasca State Park – the headwaters of the mighty Mississippi River!

For families whose Troop is arriving on Saturday... Please send a letter to the Camping Assistant at Northern Star Council stating why you need to arrive on Saturday (for religious reasons or other), what time you plan to arrive on Saturday, and that you understand there is no staff on duty from noon Saturday until 1 p.m. on Sunday, that the beach and lodge are closed, and that you will be responsible for all members of your family. This will become part of your file so that staff can plan accordingly. There will be an additional overnight charge.

The Cabin Facilities include:

Cabin Capacity – 6 people
Hot & cold water
